Sign company is responsible for billing the end client/owner of this project for all supplies, production and installation costs accrued on this project. Icon Imagery, Inc. will not be held responsible in any way for account payment or collection of fees owed to sign company. Project may be canceled or payment rebated if not installed by designated due date by fault of sign company.

Price Estimate: \$3450.00 + tx

Sign Company:Colossus Digital

Includes 2 cemented poles on each panel and final installs.
Sign will be constructed from 1/4" raw plate steel given a wash of salt and vinager solution to speed up rusting process. Panel will be installed in a fairly gray look until the rusting process really begins. Full rusting is an environmental process that will take a few days and progressively get darker in color.
